FOREWORD

The Small Scale Industries (SSI) Sector contributes significantly to the prime social objective of providing employment opportunity. The SSI sector has been contributing significantly to Industrial Production, Exports and national gross domestic product. Statistic pertaining to the sector plays an important role for policy formulation on credit, Marketing, Technology, Entrepreneurial development and infrastructural development.

The relevant data being incorporated in our directory of Electrical SSI Registered units of Tripura will prove vital documents for all the promotional bodies(Industrial) operating in the District/State. It will also be useful for researchers and planners in analyzing Industrial Trends and in Suggesting/Determining measures for future development.

In its maiden approach the SISI Agartala has brought out a Directory of Electrical SSI registered units of Tripura .Because of initial constraints, the publication may not have reached the mark to serve the purpose enumerated above but it will certainly be a base for future up-graded editing .

I acknowledge the sincere efforts made by Shri Manoj Kumar, Assistant Director(Elect.) ,SISI, Agartala for collection , Compilation of data.
